

Dear Artists,

The DMROS team invite artists who would like to participate in DMROS 2018, our 6th year of the programme, to register your interest today!

DMROS 2018 has already begun for the DMROS Team; we are actively keeping up the momentum started by Jill in 2012 with a hard working committee and we thank you for your past participation and valued contribution to DMROS!

THE 2018 DATES!!

Weekend 1: Sat/Sun 21/22 April

Weekend 2: Sat/Sun 28/29 April

Weekend 3: Sat/Sun 5/6 May

DMROS 2017 was extremely successful, visitor numbers increased significantly; they came from far and wide. The Convent Gallery exposure was very positive for the artists and the programme; many visitors were viewing the exhibition midweek and studios at the weekends. There were many new visitors and lots returning from previous years, their feedback commenting on the professionalism and standard of the artists and the programme was obviously very welcome.

We are expecting 2018 to be better than ever, attracting more visitors for you to meet and present your creative practices and work.

Following the recent departure of Jill Rivers as Creative Producer, the DMROS committee has 2 new members; Deborah Mullins, a part of our participating family from our first five years and Peter Young, a very well-known local identity of Trentham and beyond.

Because there are a few changes taking place we need an idea of the numbers of artists participating so we can plan for another great experience for everyone to share.

We hope you come on board in DMROS 2018!

Please pass this information onto any artists you think maybe interested and fit the DMROS criteria.

Reponses are welcome by 31 July 2017. Application Guidelines will be online ASAP.

Best wishes,

Chris Rowe for the DMROS Team
